Data Structures, Environmental Data Science, Intro to GIS, Game Development, Discrete Structures, Calculus I

Work Experience

Black Band Distillery | Barback + Cocktail Server | Peoria, IL

May 2022 – August 2023

- Maintained a welcoming, clean, and well-stocked bar area, while engaging with customers.
- Took on patio service duties during busy periods, despite lacking prior serving experience, while still managing bar tasks.
- Washed bar dishes, took cocktail orders, and served prepared cocktails.

Sorce Freshwater Co. | Project Intern | East Peoria, IL

May 2021 – August 2021

- Developed SOP documents for fish-related processes, encompassing receiving, storing, trimming, and mincing, involving the use of heavy equipment and forklifts by examining workflows and discussing process with employees.
- Collaborated on the establishment of Microsoft Dynamics 365 inventory management system by item population.
- Utilized Adobe Illustrator to create product sample labels and collaborated on permanent label designs.
- Attended facility tours with business professionals and politicians, capturing photographs utilized on the company website.

Projects

Portfolio Website

July 2023 – August 2023

- Designed and built a portfolio website to showcase projects and personal information.
- Developed in Visual Studio Code, using HTML and CSS and hosted using GitHub pages.
- Learned HTML and CSS through online resources and experimentation with little previous experience.

Skills

Programming: C++, Java, R, HTML, CSS

IDEs: VS Code, R Studio, Apache Net Beans

Other: Docker, Data Collection, Data Wrangling

Extracurricular

Triangle STEM Brotherhood | Social Director, Homecoming Chair, + 2 more

May 2022 – Present

- One member of the executive board responsible for vital decision making, risk assessment, and overall chapter success.
- In charge of the planning and execution of social events for 60+ chapter members and their guests by managing a substantial budget, leading social coordinators, and utilizing risk-mitigation strategies for event planning and execution.
- Successfully planned and executed Homecoming weekend events for active and alumni brothers to participate in by coordinating with alumni board via remote meetings, selecting and purchasing supplies while remaining within allocated budget, and leading the execution of events.
